

Cook Children's Pediatric Urology

Home to the Genitourinary Research, Education
and Treatment (GREAT) for Kids program

We are pleased to announce that Cook Children's Pediatric Urology is now accepting referrals.

Led by a team of world-renowned medical professionals, this state-of-the-art center is dedicated to treating kids with both common and rare genitourinary conditions.

Our team:

Bradley P. Kropp, M.D.
Medical Director

Cortney Wolfe-Christensen, Ph.D.
Clinical Psychologist

Blake W. Palmer, M.D.
Pediatric Urologist

Emily Haddad, LCSW
Patient and Family Support Director

Jake Klein, ARNP, CPNP
Urodynamics Director

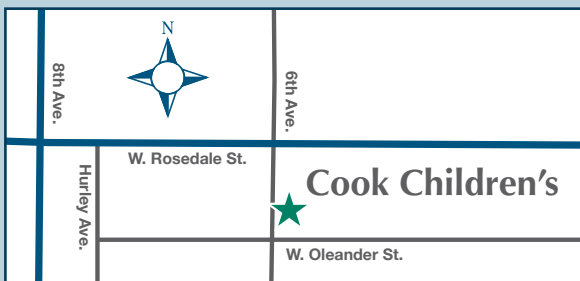

Amy Wisniewski, Ph.D.
Research Director

We know it's about more than medical expertise and advanced technology. It's about working together to tackle even the most complex condition.
